Integrated Social and Psychological Services professional with a B.A. Honours in Psychology and over two years of experience supporting newcomer populations through case management, crisis intervention, and trauma-informed care. Proven ability to conduct eligibility assessments, understand contexts, develop risk-informed case plans, and deliver trauma-informed care to refugees navigating war trauma and PTSD. Committed to psychosocial well-being, ethical practice, and client-centered outcomes across diverse populations. Seeking to leverage strong communication skills, proficiency in CARMIS, and direct operational experience to transition into the **Full-Time Case Manager** role at Resilia Community Wellness Centre.

Experience

Newcomer Case Manager Jan 2026 – Present

Resilia Community Wellness Centre (formerly Aurora Family Therapy Centre) *Winnipeg, MB*

- Managed direct case support for newly arrived refugee individuals and families, conducting eligibility assessments within Resilia criteria and developing individualized case plans to identify and manage risk factors.
- Collaborated with case managers to support active clients through home visits, interpreter-assisted conference calls, and assisted clients with referrals to appropriate community agencies.
- Navigated trauma-informed service delivery by applying an understanding of war trauma and PTSD.
- Spearheaded a resource development initiative to create the comprehensive RNCM Resource Guide, successfully resolving an operational gap in staff onboarding and daily case management workflows.
- Developed a multi-level English Language Pre-Class Support tool (Levels 1–5), providing a low-barrier, self-directed educational solution for refugee clients facing waitlists.
